**Subject: Update of the GP1 Budget (eVote)**

Dear Friends and Colleagues,

I am writing for an update of the Budget Plan for the first Grant Period (GP1 - ending on 30th April 2017) , which is about finishing.

The budget, which you approved towards the end of last year via eVote from eCOST, was:

<b>Activity</b>	<b>Eur</b>
MC/WG meetings + Workshop (Malta)	43.690,00 Eur
STSMs	2.400,00 Eur
Dissemination (Website)	2.000,00 Eur
OERSA (Bank charges)	170,87 Eur
Subtotal	48.260,87 Eur
FSAC (overheads) 15% of subtotal	7.239,13 Eur
<b>TOTAL</b>	<b>55.500,00 Eur</b>

Given that we spent less money for STSMs with respect to what originally planned (see the minutes of the Malta MC meeting, sent to you a few minutes ago), upon suggestion of the Grant Holder I propose to reallocate the money as follows.

<b>Activity</b>	<b>Eur</b>
MC/WG meetings + Workshop (Malta)	45.460,87 Eur
STSMs	800,00 Eur
Dissemination (Website)	2.000,00 Eur
OERSA (Bank charges)	0 Eur
Subtotal	48.260,87 Eur
FSAC (overheads) 15% of subtotal	7.239,13 Eur

-----

-----

TOTAL

55.500,00 Eur

Essentially, all the unspent money will be used to support participants at the Malta meeting, according to the rules which were previously approved.

**Deadline for voting: Tuesday 18th April 2017.**

No answer means that you approve (as per COST rules).

Thank you and kind regards,  
Angelo

**Subject: Result of evote of 11th Apr 2017 - Update of the GP1 Budget**

Dear Friends and Colleagues,

Yesterday was the last voting day for approving the update of the budget for the first Grant Period. I received no objections, therefore it is unanimously approved.

Soon you will receive further information relative to the forthcoming activities, which were announced during the Malta MC meeting, and which you can find summarized in the minutes, downloadable from the QTSpace website (members area).

Thank you and kind regards,  
Angelo
