Subject: Budget increase for the forthcoming meeting in Vienna (eVote)

Dear Friends and Colleagues,

a few days ago the COST Association informed my that we could ask for a top up of the budget of Grant Period 2 (extra 15,000.00 Eur). I did make such a request: this implied drafting a revised WBP of GP2 and the approval of the MC. You should have received an automatic notification from eCOST.

Having such a top up, and since the forthcoming meeting in Vienna is triggering the interest of larger audience than initially expected, I am writing to ask for a budget increase of the Vienna meeting, initially set at 19,000.00 Eur (eVote of 19 Dec 2017), to 25,000.00 Eur. Reimbursement rules will not change.

If money will remain, it will be used for STSMs and to support the participation to the meeting in Oberkochen, as decided with the last eVote of 20th Mar 2018.

Deadline for voting: Thursday 5th April 2018.

No reply means that you approve.

Thank you for the collaboration and kind regards,
Angelo
