Subject: New meeting + reimbursement rules for GP2 (eVote)

Dear Friends and Colleagues,

GP2 is almost at the end, however I have two more changes to submit to you for approval.

1. The Vienna meeting on "Realization of Quantum Experiments in Space" was held on 10-11 April. As several people asked for exceptions on the reimbursement rules, and as there is leftover money (which cannot be carried over to GP3), I suggest to change the reimbursement rules as follows:

Accommodation: 100 Eur/night -> 120 Eur/night.

All other rules remain unchanged.

2. Last Thursday QTSpace participated to the "European Quantum Community meeting" in Oberkochen, by chairing a session on QT in Space. It was quite a successful session, and Calarco stressed the strategic relevance of "space" in promoting QT in Europe. The expected output is a document on QT, which will serve to push research and technology development on QT for the future (FP9 and more).

We are working on this document, a draft of which can be found on the QTSpace website under "Strategic Report". As there is still a bit of leftover money from GP2, I propose to organize a 1-day meeting in Munich on 30th April 2018 (last day of GP2) for the working group of the document to meet and finalize it. Therefore I ask for your approval for this meeting, with the standard COST rules.

Deadline for voting: Friday 27 April 2018 (five working days).

No reply means that you approve.

As a final note regarding my previous email of 18th April, announcing the plans for GP3, I wrote that the meeting will take place in 2017. Of course, I meant 2018.

Thank you and kind regards,

Angelo

Subject: Result of eVote of 22nd April 2018 - New meeting + reimbursement rules for GP2

Dear Friends and Colleagues,

as I received no objections regarding the latests eVote of 22nd April 2018, it is approved.

Thank you and kind regards,
Angelo
