Dear Friends and Colleagues,

as you know, on 20-21 November 2018, ESTEC will host the "3rd quantum technology - implementation workshop", organized in collaboration with us. It is one of the major events in this field, and you are welcome to attend. On the QTSpace website you will find relevant information.

The schedule will be similar to that of last year, meaning:

Day 1: from 09:00 to 18:00

Day 2: from 09:00 to 16:00

On day 1, from 18:15 to 19:30 we will have our annual MC meeting.

Changes in the schedule are still possible.

QTSpace will cover the costs of participation to both events (2 days, max 3 nights) according to the standard COST rules, except for travel expenses, for which I propose a maximum of 500 Eur (exceptions are possible upon prior approval by the MC Chair). I ask for your eVote for this.

Registration to the workshop is mandatory, and the deadline is approaching. Check the QTSpace website for the relevant links.

If you wish to apply for COST money, please contact Mauro (m.paternostro@qub.ac.uk).

The program of the workshop will be announced soon.

The agenda of the MC meeting will be sent to you in due time.

Deadline for voting: Friday 4th October 2018 (five working days).

No reply means that you approve.

Thank you and kind regards,

Angelo
